

An illustration of an explorer in silhouette, wearing a hat and carrying a large backpack, looking through a telescope. The explorer is standing on a dark, rounded mound. The background is a solid blue color with stylized white clouds and a large, multi-lined white circle. A thin white line extends from the explorer's telescope, passing through the circle and ending on the right side of the frame.

RCA Explore Circularity Day

This Year's Topic of Exploration:
Waste-to-Energy

Session 6: Closing Thoughts

- **Presenter:** Mehr Nikoo, Alberta Innovates
 - Reflection of the day's discussions
- **Presenter:** Katrina Hillyer, Earth Warrior Lifestyle
 - Introduce ECD 2026 topic

#ECD2025

What I learned

- Diverse technologies
- Size and type of waste
- Flow of materials
- Economics
- Life cycle assessment of GHG, water, and,...
- Regulatory space

#ECD2025

“Aren’t you glad we had this meeting
to resolve our conflict?”

Thank you to our reception sponsor

#ECD2026

Sponsor RCA Explore Circularity Day (ECD)

2026 ECD Topic of Exploration: **Textiles**

 Spring 2026

Let's explore ways to make the textile industry more circular! Help make this event a success by sponsoring the day including sessions and/or networking opportunities. Your support will help create a space for meaningful and impactful dialogue for all attendees.
