 5. After disclosure of a potential conflict of interest situation, the disinterested members of the Board of Directors shall determine whether any conflict of interest exists.
 6. After exercising due diligence, the Board of Directors are expected to determine whether the RCA could obtain a similar transaction, contract or other arrangement from a person or entity that would not give rise to a conflict of interest.

4.0 Procurement Policy

4.1 BACKGROUND

The Recycling Council of Alberta (RCA) recognizes the importance of ensuring that the principles of sustainable development and environmental sensitivity form a key component of all procurement decisions and therefore has established and implemented the following procurement policy:

4.2 POLICY

If the required products are available and meet the RCA's needs, the RCA will seek out and give priority to members that are suppliers of office and other supplies that:

- achieve a reduction in the product or materials usage or in waste generated during production; and
- contain high levels of post-consumer recycled material; and
- allow for re-use of the original product or material.

Further, the RCA recognizes and supports provincial and municipal waste reduction targets and will contribute to these objectives by implementing an overriding procurement policy that incorporates the procurement of fewer products.

5.0 Board Meeting Travel Reimbursement Policy

POLICY

The purpose of this policy is to establish criteria for reimbursement of travel costs incurred by Directors to attend Board meetings. It is expected that in normal circumstances, a Directors employer will cover most, or all travel costs. Despite this practice, the RCA recognizes that the diversity of Board representation is important and understands the need to ensure that financial constraints do not prevent Directors from participating in RCA Board meetings.

PROCEDURE

1. As the RCA is committed to reducing its environmental footprint but also highly values the time and efforts of its Membership. Board members are expected to choose the most environmentally conscious option that is also reasonably balanced with their own safety, and consumption of their own time. Preferred options are to car pool, take a bus or to rent a car; where doing so is reasonably practical and balances our values as stated above.
2. When options of car pooling, taking a bus, or renting a car are not reasonable, in the opinion of the Board member claiming expense, then the Board may, or may not in its sole determination, opt to grant reimbursement for other options; for example, personal vehicle gas expense reimbursement.
3. Mileage will be reimbursed:
 - For the carpool vehicle owner/driver, kilometers travelled, without waypoints, from the Directors home or place of business (whichever is lower) to the meeting location, and will be based upon the current rate used by the Government of Alberta;
 - For the round trip cost of the lowest-cost bussing option
 - For vehicle rental costs
4. Accommodation and meal expenses will not be reimbursed.
5. An expense report, including receipts must be submitted by a Director, to the Executive Director for review within 60 days of when the expense was incurred.
6. Where expenses are deemed to be valid expenses under this policy, the Executive Director shall approve the expense claim and ensure a cheque is prepared to be signed by a Director with signing authority.
7. The expense claim shall be reviewed by the Director with signing authority at the next regular Board meeting, and where the Director is in agreement that the claim is valid, they shall endorse the cheque and ensure it is forwarded to the claimant.
8. A maximum value of \$3,000 per year to be allotted in the annual budget to accommodate reimbursements compliant with this policy.

11.0 Annual General Meeting and Conference Travel Allowance Policy

POLICY

Directors regularly volunteer their time to further the mission of the RCA, including participating in board, project team and external meetings and volunteering time at events across Alberta. When financially prudent, the RCA believes it is appropriate to compensate volunteers for their dedication and hard work by providing funds towards reducing RCA Conference and Annual General Meeting (AGM) costs for Directors and volunteers.

- Allow each nominee 2 minutes to speak to why they would like to be on the Executive;
- Call for Directors to mark their ballots – identifying one candidate per position;

15.0 Emergency Succession Plan: Policy & Procedures

Preamble

The **Recycling Council of Alberta** (RCA) currently uses a 'contract model' to hire both its Executive Director and its organizational management & administration services under a single contract: Organizational Management & Administrative Contract. The role of the Executive Director and the Organizational Management & Administrative service provider is attached (Appendix A).

Important risks associated with this contracting model are:

- The person designated as the Executive Director in the contract may become temporarily or permanently unavailable to fulfil their duties prior to the contract's natural termination.
- The company hired to manage the organizational management & administration contract may make an unplanned exit prior to the contract's natural termination.

Unplanned absences or exits could occur for a variety of reasons, such as: the Board of Directors or the contractor providing 90 days' notice to exit the contract; illness; immediate termination of the contract with cause; mutually agreed termination of the contract; etc.

The Board acknowledges that such an absence is highly improbable and certainly undesirable. However, it also believes that it requires an Emergency Succession Plan as necessary due diligence and as a good governance measure to mitigate the RCA's risk. It is expected that this Plan will ensure continuity for the organization should an unplanned absence occur until such time as either the Executive Director returns to their duties or a new permanent Executive Director & Organizational Management and Administration services may be engaged by the RCA Board of Directors.

Policy

The Board of Directors authorizes the Executive Committee to implement this Emergency Succession Plan in the event of an unplanned absence of the Executive Director and/or the Organizational Management & Administrative contractor.

Definitions

1. An unplanned absence is one that arises unexpectedly, in contrast to a planned leave, such as a vacation or a sabbatical.
2. A temporary (short or long term) absence is one in which:
 - a. The Executive Director is unable to full their duties for a period of time and the contractor notifies the Board of the absence;
 - b. The contractor remains available to the RCA to fulfil their management and administrative duties; and
 - c. The Executive Director is expected to return to their position and fulfill their duties once the events precipitating the absence are resolved.
3. A short-term absence is less than three (3) months.

4. A long-term absence is one that is expected to last more than three (3) months.
5. A permanent absence is one in which it is expected that either the Executive Director or the contractor is not expected to return to their position or fulfill their duties once the events precipitating the absence are resolved.

Procedures

Temporary, short-term absence

For a temporary short-term absence to exist, the contractor must provide timely notice to the RCA Board of Directors of the following circumstances:

- That a temporary, unplanned absence of the Executive Director has begun that will render them unavailable to fulfil their Executive Director duties (as outlined in Appendix A) for a period that is expected to last **less than 3 months**.
- That the contractor remains available to fulfill their other (non-Executive Director) management & administrative duties and meet the contracted deliverables.

If such notice is provided, then the RCA Board will appoint an Acting Executive Director to fulfill the role of Executive Director for the period of the absence.

The following process will be applied when appointing the Acting Executive Director:

1. Executive Committee will appoint an Acting Executive Director

- The Executive Committee will notify the Board of Directors of the unplanned absence.
- As soon as is feasible, the President shall convene a meeting of the Executive Committee to affirm the procedures prescribed in this plan or to make modifications the Committee deems appropriate.
- The Executive Committee will appoint the “standing appointee” as the Executive Director as defined below.

2. Standing appointee

- The RCA-President shall serve as the Acting Executive Director in the absence of the Executive Director.
- If the RCA-President declines this appointment, the RCA Vice-President, RCA-Treasurer, or the RCA-Secretary will be appointed, in that order.
- If no member of the Executive Committee accepts the appointment, then the Executive Committee will request nominations from the RCA Board of Directors. If more than one nomination is received, the Executive Committee will call for a vote of the Board of Directors to determine the appointment.
- If no member of the Board of Directors accepts the appointment, the Executive Committee will request nominations from the RCA liaisons. If more than one nomination is received, the Executive Committee will call for a vote of the Board of Directors to determine the appointment.
- If no member of the RCA Board of Directors or Board liaisons accepts appointment, the RCA Executive Committee will seek Expressions of Interest (EOI) from the RCA's Executive Director Candidates List (which is kept current by the Executive Director as part of the RCA's Operational Manual). If more than one EOI is received, the Executive Committee will call for a vote of the Board of Directors to select the candidate and confirm the appointment.

3. The Acting Executive Director shall not serve on Executive Committee

- If any member of the Executive Committee accepts the appointment as Acting Executive Director, that Executive Committee member shall step down from Executive Committee while they are Acting Executive Director.
- The Executive Committee member shall regain their role on Executive Committee once their role as Acting Executive Director is terminated.

4. Duties and Authority of the Acting Executive Director

- The person appointed as the Acting Executive Director will have the full authority for decision-making and independent action as the Executive Director.
- The term of appointment be defined by the Executive Committee.
- The Executive Director's duties will be negotiated by the Executive Committee, in consultation with the contractor using Appendix A as a guide.

1. Compensation

The Acting Executive Director shall receive a temporary compensation at a rate negotiated by the Executive Committee and commensurate with the duties required.

2. Board committee responsible for oversight and support to the Acting Executive Director

As with an Executive Director, the Executive Committee of the Board will have responsibility for monitoring the work of the Acting Executive Director. The Executive Committee will help identify the supports required by the Acting Executive Director to be successful in this temporary leadership role and make every effort to ensure they are made available to the Acting Executive Director.

3. Communications plan

As soon as possible after the Acting Executive Director has begun covering an unplanned absence, the Board of Directors shall communicate the temporary leadership structure to key partners and supporters including:

- Members
- Sponsors
- Banking institutions (signing authorities)
- Other key stakeholders

Temporary, long-term absence

In this scenario, the contractor notifies the RCA Board of Directors of a temporary, unplanned absence that is expected to last more than 3 months, and will render the Executive Director unavailable to fulfil their duties as outlined in Appendix A. In this scenario, the contractor providing the management & administrative services remains available to fulfill their duties and meet the contracted deliverables. In this scenario, the RCA Board will appoint an Acting Executive Director to fulfill the role of Executive Director.

The procedures for managing a long-term absence shall be the same as for a short-term absence with one addition:

- The Executive Committee will give immediate consideration to terminating the Organizational Management & Administration Contract, giving the required 90 days' notice, and implementing a process to hire a new contractor and/or renegotiate a new contract with the current service provider. For example, it may be possible for a new Executive Director to work with the existing contractor for administrative services.

Permanent absence

In this scenario, the Board of Directors is notified of a permanent absence of either the Executive Director or the contractor.

The procedures will be the same as for a long-term temporary absence with one exception:

- The Board of Directors will terminate the existing Organizational Management & Administrative Services contract with the appropriate notice period.
- Once the Acting Executive Director is appointed and organizational continuity is secure, the Board of Directors will, as soon as is feasible, undertake a process to engage a new permanent Executive Director and administrative support.
- The process to obtain a new permanent Executive Director and administrative services supports will be defined by the Board, and a defined departure plan will be implemented to transition from the Acting Executive Director to the new Executive Director.
